Description

The aim of this book is to help you revise and build on the French you have previously learned. It is primarily intended as a self-study book ; although it can be used in conversation sessions, business modules, refresher courses or examination classes. This book can be used in any order you choose as each chapter is independent of the others. There are twenty one chapters, covering such topics as buying food and clothes in France, looking for a flat to rent, phoning a hotel for a room, going to a chemist's. At the end of the book you will find : A Grammar reference : a summary of essential grammar points with a final test ; A comprehensive verb section providing the conjugation of all the verb tenses you need to know.
